You used to say live and let live
(You know you did, you know you did, you know you did)
But if this ever changing world in which we live in
Makes you give in and cry
Say live and let die.

English teams	are playing in	
he	's	all over the world watching it, you see
this year, he	's watched	22 games so far this year
which	is	about 50 per cent of his normal, and
even he	's getting browned off...
